

To Whom it May Concern,

It has been a pleasure and an honour to collaborate and work with the Danny Virtue Foundation on projects and events for children and youth. Danny is such a giving and caring person and the attitude and core that he lives by permeates through his Foundation.

A highlight for our children and youth each year is the amazing event hosted at the Virtue Ranch. It is a first class event featuring entertainment and action packed stunts. The kids would never be exposed to this type of event if it not for Danny's commitment of making this an annual endeavour.

The Virtue Foundation and Danny have been strong supporters of our events and fundraising efforts. A notable partnership is a large community family day that we have been jointly offering for the past 3 years in Langley. The day is a family event showcasing activities for all families in the Fraser Valley. It is so encouraging to have like-minded individuals and organizations come together in the common goal to support children and youth and to enable them to experience special "life moments"!

Danny and his Foundation successfully provide children and youth with possibilities to dream and find their passions.

I look forward to many more future events with Danny and his foundation, if you have any questions related to this endorsement feel free to contact me directly.
