I have had the pleasure of both knowing and working with Danny Virtue since 2013. Danny has been a partner in the annual Fraser Valley Family day event, held at the Langley event Centre in Langley, BC each year. This event raises funds for 3 local charities and without Danny's assistance, we would not have been successful. Danny has also assisted us with the Langley Rams Jr Football club (Canadian Junior football league) since 2016. Danny is an extremely credible individual with a huge heart! I am a big supporter of the virtue foundation and all that he does for youth.
